

Curious about College Planning?

If so, this seminar is for you!

Are you confused by the **college search and application process**? Do you know whether the **ACT or SAT** best shows your student's talents? Have you considered how **career planning** is associated with the process? Have you figured out **how to pay for it all** and still retire?

Ft. Mill's own Dr. Charlotte Klaar is the organizer of *College Simplified: Planning, Testing, and Financing*

Dr. Klaar has been successfully advising families throughout the college process for more than 21 years. She is a Certified Educational Planner as well as the recipient of the Steven R. Antonoff Award for Professional Achievement awarded to her by the Independent Educational Consultants Association (IECA).

For this limited presentation, she has invited three trusted professionals whose expertise will help guide your OWN family through the college planning process!

Sunday, Jan. 28, 2018

1:00 - 4:30pm

**LOOM • 120 Academy Street
Ft. Mill • South Carolina**

The cost is \$5/person or \$15 per family to help defer the cost of refreshments.

**At the seminar, your student will take a mock
ACT or SAT exam, while you learn about:**

-  How to help choose a college that is a good fit for your student
-  How to open a dialogue about career planning
-  What all the testing information means and how to understand it
-  How to pay for college without going broke or having your student live with you forever!

Melissa Pluchos
of Elani Learning

Will offer, grade and analyze a mock test and will discuss the importance of testing in general.

Karina Dusenbury
of Maximize College

Will discuss the importance of career planning and its place in the initial search process.

Ross Marynell
of Vertex Capital

Will provide insight on how to help pay for college without foregoing your own retirement plans.
